**UNITED STATES DISTRICT COURT**  
**NORTHERN DISTRICT OF CALIFORNIA**

Julie Frazee, et al.,

Case Number: 14-cv-01590-WHO (KAW)

Plaintiffs,

**STIPULATION TO CONTINUE  
SETTLEMENT CONFERENCE AND  
[PROPOSED] SETTLEMENT  
CONFERENCE ORDER AS MODIFIED**

v.

County of Marin, et al.,

Defendants.

**TO THE COURT AND ALL PARTIES AND COUNSEL OF RECORD:**

Plaintiffs Julie and Art Frazee and Defendant County of Marin (collectively “the Parties”) hereby stipulate to and request that the magistrate settlement conference currently scheduled for November 13, 2015, with Magistrate Judge Kandis A. Westmore, be continued until February 22, 2016. This date has been approved by all Parties, and Judge Westmore has indicated her availability on this date, as of the time of this filing.

In the Pretrial Order filed by Magistrate Judge Jacqueline Scott Corley on May 8, 2015 (Docket 46), the Court indicated that a magistrate settlement conference should occur “between November 2015 and January 2016, unless the magistrate judge and the parties agree that the settlement conference should occur at a later date.”

The Parties have exchanged their initial disclosures and are in the process of conducting initial discovery, including written discovery and depositions. However, this initial discovery will not be completed prior to the November 13, 2015 settlement conference. The Parties believe that completion of early discovery is necessary to permit them to conduct a productive settlement conference, and on that basis have agreed to stipulate to a continuance of the settlement conference until January or February, 2016. Due to pre-existing trial commitments on Judge Westmore's calendar for January, 2016, only dates in February, 2016 were available.

In conclusion, the Parties hereby respectfully request that the settlement conference be continued to February 22, 2016.
